GREETINGS FROM THE MANAGER

For the 60th time, Farm Science Review is excited to host the agricultural industry at the Premier Outdoor Agricultural Education and Industry Exposition on behalf of The Ohio State University. Please use this guide to assist you in planning your presence at THE Farm Show. As you review the material in this guide, feel free to contact us with any details that need more clarification.

If you have more ideas on how we can work together to improve the experience of attendees at Farm Science Review 2022, let us know right away.

Thank you for choosing to partner with us to improve this essential industry. We encourage you to provide us feedback on how we can continually improve to meet your needs and the needs of the agricultural industry.

Kind regards,

Nick Zachrich

MOWING OF OUTDOOR LOTS

A standard outdoor booth is grass turf that will be mowed the last time before the show on the Wednesday after Labor Day to allow for utility marking and show prep. Exhibitors desire varying lengths of grass so it is not required to be mowed following this date but is permissible at the cost or labor of the exhibitor. Push mowers are available at the headquarters building and suggested landscapers can be found in advertisements throughout this guide. If you collect your clippings please take them to the dumpster near the loading dock.

RESTROOM RENTAL

Rent-A-John has agreed to provide a private restroom for \$120.00 to outdoor exhibitors. Contact them directly or another vendor of your choosing. These must be located discretely on your rented booth space.

Rent-A-John

Phone: 614-497-1776 or 800-367-8265

FIRST AID

Dial 911 in an emergency. A nurse is on staff in the Emergency Services Building, lot 465 at the corner of Kottman St and Land Ave during the three days of Farm Science Review.

EXHIBITOR EDUCATIONAL RESOURCES

The Farm Show Council is an association of agricultural trade shows and strives to improve member shows through education, communication, and evaluation which improves the experience of exhibitors and visitors. The overall goal of the council is to provide the best possible marketing showcase for exhibitors of agricultural equipment and related products to the farmer/rancher/producer customer. Resources to assist exhibitors can be found on the Farm Show Council website: farmshowcouncil.org/education

INSURANCE

Exhibitors are required to submit a certificate of insurance to the specifications listed in the FSR Rules and Regulations on page 10 of this guide. If your current policy does not meet specifications, a tailored plan is offered by Rainprotection Insurance with information on page 9. Be sure that The Ohio State University is included as additionally insured and the dates of your coverage include your setup and teardown period.

ATM

ATM's will only be available during the three days of the show. Locations will be announced in the official show program.

Exhibitor Liability Insurance Program

As a standard requirement for all our show exhibitors, it is necessary for you to carry general liability coverage from an insurance company in good standing with minimum policy limits of \$1,000,000 per occurrence and \$2,000,000 aggregate. Insurance Coverage is not optional.

This insurance must be in force during the lease dates of the event naming The Ohio State University (135 SR 38 NE, London, OH 43140) as the certificate holder and as additional insured.

Rainprotection Insurance Program

If you do not have insurance, or you would rather not use your own insurance, (similar to when you rent a car – so that claims would not be filed against your policy), we have set up a program with Rainprotection Insurance through which, you can purchase compliant insurance instantly online.

Benefits of using this program:

- No Deductible – unlike your corporate policy, Rainprotection's policy has no deductible. Should there be a claim, you will have no out of pocket costs and your future rates will not go up since you would not need to submit a claim on your policy.
- No Hassles – you will not need to go back and forth with your broker adding additional insureds and making your insurance compliant with show requirements
- Coverage for exhibitors who do not have an existing policy
- Coverage for international exhibitors whose insurance will not cover them in the U.S.A.
- Easy and Inexpensive to purchase instantly online
- Already pre-filled with all the proper show information.
- Submitted to show management for you - Once purchased, they automatically receive a copy

OHIO STATE FARM SCIENCE REVIEW RULES AND REGULATIONS FOR EXHIBITS

Molly Caren Agricultural Center

London, Ohio

September 20-22, 2022

MISSION

The mission of the Farm Science Review is to provide access to current knowledge and technologies which enhance the quality of life and market competitiveness of individuals, families, industries, and communities. This mission is accomplished by showcasing research, products, services, and experience through educational exhibits, presentations, and demonstrations on crop and livestock industries, natural resources and life-styles.

SHOW HOURS

Tuesday and Wednesday..... 8:00 a.m. - 5:00 p.m.
Thursday..... 8:00 a.m. - 4:00 p.m.

Gates open at 7:30 a.m. daily and remain open until 6:00 p.m.
Exhibitors may enter Gate I starting at 6:30 a.m. on show days

CONTRACTS (SPACE RENTAL AGREEMENT)

Application for exhibit space must be made on the form provided by the Ohio State Farm Science Review Management. The Management reserves the right to reject any application.

Following approval of application for exhibit space, Space Rental Agreement contracts will be provided. A signed contract must be received by the Farm Science Review before July 1 for an exhibitor's name to appear in the show program.

INSURANCE REQUIREMENTS

Each 2022 exhibitor is required to have in effect and maintain for the period of the 2022 Farm Science Review, September 12, 2022 to September 28, 2022, a policy of comprehensive general liability insurance against claims of personal injury or death or damage to property occurring upon the exhibitor's rented space, all demonstrational extensions of that space, and the exhibitor's storage area, or any other area of the University premises. The period of the Review includes the set-up and tear-down periods. The general liability insurance (including contractual liability) shall provide coverage in the amount not less than \$1,000,000, per occurrence, \$2,000,000 in the annual aggregate. A Certificate of Insurance evidencing the above must be forwarded to the Farm Science Review Office on or before July 1, 2022. The certificate must list The Ohio State University as holder of the Certificate, and as an additional insured under the policy. Should the policy expire after July 1, 2022 and before September 28, 2022 the exhibitor's insurance agent or carrier must notify the Farm Science Review of intent to renew in writing. Such policy of insurance shall bear an endorsement to the effect that the insurer agrees to notify the Farm Science Review Management not less than ten (10) days in advance of any modifications or cancellations thereof. No Space Rental Agreement (Contract) will be approved without the required insurance.

- Site Headquarters availability for pickup of parking permits and passes for exhibitors will be begin August 23.
- Should an exhibitor desire to have their passes forwarded, the form must be completed and returned to the Farm Science Review office on or before August 31.
- **Packets that are sent per exhibitor request become the property of the exhibitor when forwarded.**
- Reissues for lost or misplaced packets are not permitted.
- An exhibitor pass can **not** be exchanged for a single day admissions ticket.

Additional Exhibitor Passes:

Additional passes and parking permits can be purchased for \$30.00 per packet. A packet contains one exhibitor pass and one parking permit. Admission passes and parking permits are not sold separately. Exhibitor Packets are not refundable.

Consignment of Advance Sale Tickets to Exhibitors:

Exhibitors may secure advance sale tickets on consignment, with a minimum order of 10 tickets. Ticket orders on this plan will be accepted through September 19, 2022. Exhibitors will be billed \$10.00 each for all tickets secured under this program that are not paid for or returned to the Farm Science Review office by 5:00 p.m. September 19, 2022 or postmarked by September 19, 2022. The last day the FSR office will ship tickets is September 9, 2022. Advance sale tickets on a cash basis will be available at the Farm Science Review Headquarters office, September 6 through September 19, 2022 from 8:00 a.m. to 5:00 p.m.

Online Ticket Sales:

Online sales will be available from July 1 to September 16. Each ticket is \$10.00. Any tickets ordered after September 9 will need to be picked up at the FSR Headquarters Building or Will-Call Gate D. There are no refunds or returns for online ticket sales.

General Admission:

Admission at the gate will be \$15.00 per person. All persons over the age of 5 require a ticket. No refunds will be made on purchased gate tickets.

PARKING AND TRAFFIC CONTROL

No cars, trucks or trailers will be parked on any space leased to exhibitors, except those remaining stationary and serving as part of the exhibit. Those vehicles to be used as part of a display will be issued a special permit during the set-up period. Exhibitors must obtain the permit from Farm Science Review Management during the setup period. No exhibitor will be permitted to operate service cars or trucks in the exhibit area during the Review. However, cars or trucks may be used to service exhibits before 7:45 a.m. or after 5:00 p.m. during the Review.

No parking of vehicles for the purpose of overnight residence will be permitted on any Ohio State University land.

The speed limit on all roads leading to the exhibit area will be 15 mph. The speed limit within the exhibit area will be 5 mph.

EXHIBITS AND EXHIBIT AREA

The exhibit area will be available for placing exhibits at 8:00 a.m. Monday, September 12, 2022. Early admittance in special cases must be authorized by the Review Management.

Security:

Security will be provided nightly in the main exhibit area beginning at 7:00 p.m. Wednesday, September 14, 2022 and ending at 7:00 a.m. Wednesday, September 28, 2022. All exhibitors are expected to provide their own storage for all materials and small equipment requiring extra security.

All exhibits shall be in place by 9:00 p.m. Monday, September 19, 2022. No additional machinery, equipment, or other exhibit materials may be brought into the exhibit area after 9:00 p.m. September 19, 2022 except with permission from the Farm Science Review Management.

No display items shall be dismantled or removed from the exhibit area or Farm Science Review grounds before 4:00 p.m. Thursday, September 22, 2022 unless permission is secured from Review Management. Trucks will not be permitted in the exhibit area until 4:00 p.m. September 22, 2022, except as previously noted. All exhibits shall be removed by Wednesday, September 28, 2022 at 4:30 p.m.

Extensive digging, excavation, or earth moving:

Extensive digging, excavation, or earth moving will not be permitted in the exhibit area. Posts may be set with the permission and direction of the Management. This is to protect and prevent damage to the water lines, fiber optic cable, electrical lines, telephone lines and tile drainage. Any sign holders, posts or other items installed or added to a lot must be removed by the exhibitor. Damages incurred to any of the named utilities is the financial responsibility of the exhibitor or vendor to repair.

Exhibit Heights:

The height of exhibits will be limited by Review Management. Special permission for use of exhibits more than 50 feet in height must be obtained in writing from the Manager by August 12, 2022. Balloons must be lowered to ground level at dusk.

Machinery may be demonstrated on the exhibit lot if they do not involve digging, earth moving, dust or noise that will disturb adjacent exhibitors. Demonstration of field equipment will be permitted only in authorized fields. The availability of suitable space may make it necessary to limit the kind and number of demonstrations in some areas. Each exhibitor will be responsible for keeping their exhibitor space free of debris and litter. Refuse containers will be provided.

Exhibits producing unusual or excessive noise must be placed in a special area provided for this purpose. The Management reserves the right to evaluate the distraction caused by noise producing items and to require removal to the special area. The educational value of each exhibit is subject to inspection by the Farm Science Review Management. Exhibits found to be inappropriate with respect to the educational objectives of the Farm Science Review and The Ohio State University will not be permitted. Example: Musical or carnival-type entertainment supplied by an exhibitor for the sole purpose of attracting an audience to a specific exhibit will not be permitted.

Chain Saws:

Chain saws may be operated in the exhibit area with the permission of the Review Management. The operation of chain saws must be done only by the exhibitor. In addition, proper barriers must be erected to keep everyone other than those operating the equipment away from the demonstration area.

Demonstrations and "Ride and Drives":

Vehicles or equipment may not be removed from the exhibit lot for demonstration purposes or any other use during the three days of the Review. Facilities may be available by special request for demonstrating equipment on special terrain areas. Requests for space to demonstrate special equipment must be made in writing by August 31, 2022. Availability of space for these special demonstrations cannot be guaranteed.

Over The Counter Sales:

Over the counter sales will be allowed by exhibitors where the principle part of the exhibit pertains to agriculture and farm machinery displays, except those exhibitors as depicted under Motor Vehicle Exhibitors. Sale items which can be hand carried, that are necessary and useable in agriculture and connected with their exhibit, or promotional items that are associated with their exhibit or industry will be allowed during show hours (8:00 a.m. - 5:00 p.m.). Orders for sales of all other items for delivery from exhibit space may be taken at any time. Delivery of these orders cannot be made until the show closes (4:00 p.m., September 22, 2022). Replenishment of show stock cannot be done during show hours.

Electricity:

Electricity (single phase 110) will be furnished to the edge of all lots unless notice is provided to the exhibitor otherwise. Single phase 220 is available in most locations at a cost to the exhibitor.

Display Of Livestock:

Live animals will be permitted in specified sections of the main exhibit area. All livestock must meet State of Ohio regulations.

Motor Vehicle Exhibitors, Including ATV's:

Ohio Revised Code requires that all dealers of motorized vehicles (including ATV's) and trailers with a gross weight of 4000 pounds or more must meet Ohio Bureau of Motor Vehicles (BMV) specifications for participation. Such exhibitors must provide their New Dealer (ND) number and exact address of the dealership to the Farm Science Review not less than sixty (60) days prior to the event. The Farm Science Review will file the appropriate application with BMV a minimum of forty-five (45) days prior to the event to seek permission for the dealers participation in the event. Except as provided below, all such vehicles will be for display purposes only. The sale of such defined vehicles is permitted in certain circumstances. The taking of orders for, or the sale of, livestock trailers at livestock and agricultural shows, including county fairs is permissible. Livestock trailers may be sold at livestock and agricultural shows, including county fairs, as permitted by law. For the purpose of show law, "livestock trailer" means a new or used trailer designed by its manufacturer to be used to transport horses or to transport animals generally used for food or in the production of food, including cattle, sheep, goats, rabbits, poultry, swine, and any other animals included by the director of agriculture in rules adopted under section 901.72 of the Revised Code.

In the case of manufacturers of such defined vehicles, they are required to advise the Farm Science Review of their participation not less than sixty (60) days prior to the event. The Farm Science Review will file the appropriate letter of notice with BMV not less than forty-five (45) days prior to the event relative to their participation. All vehicles falling under this category shall be for display purposes only. The sale of such defined vehicles is not permitted.

Services to exhibitors beyond those described in these Rules and Regulations must be arranged in advance and may involve additional service charges.

INDOOR EXHIBITS (BUILDINGS AND TENTS)

Tent Booths, 10' x 10', are provided inside a large tent. Building Booths, 10' x 10', are provided inside a large building. The booths are divided by 8' connection draping in the rear and 3' connection draping on the sides. Displays in the booths are limited to 7' in total height. Displays may not be higher than 40", from existing grade, in the front third of each booth.

Exhibitors participating in these booths will have their activities limited to that specific area. However, Booth exhibitors are permitted to erect a static display (i.e. sign) outside of the tent or building and directly in front of their assigned space. That area is outside the boundaries of their assigned space but not located in common walkways or street area and is limited to 3' x 6'.

Exhibitors have access to display area on Thursday, September 15, 2022 at 12:00 pm. Tent exhibits must have their display removed by 7:00 p.m. Thursday evening, September 22, 2022 as tent companies will begin disassembling tents.

SUB-LETTING

Exhibitors will not be permitted to sub-let their lot(s) or any portion thereof.

Only equipment owned or distributed by Farm Science Review exhibitors of record will be permitted on the Farm Science Review grounds unless prior approval of the Management is obtained.

TENTS AND SUPPLIES

Each exhibitor, except Tent Booth, Building Booth and Association Building exhibitors will be responsible for supplying their own tents or shelter. All exhibitors will be responsible for supplying their own tables, chairs, special lighting, decorating, pennants, etc. Sources of supply will be suggested by Farm Science Review Management. Gwynne Conservation Area exhibitors may be provided with shelter depending upon availability at time of application.

EDUCATIONAL FIELD DEMONSTRATIONS

All educational field demonstrations involving soils and crops shall be planned and supervised by members of the staff of the College of Food, Agricultural, and Environmental Sciences, Ohio State University Extension and Ohio Agricultural Research and Development Center.

SAFETY REGULATIONS

Exhibitors are required to maintain adequate safety standards. Standards must comply with applicable codes and local, state, and federal safety regulations. The Farm Science Review Management reserves the right to curtail any activity deemed a hazard to the public.

Exhibitors must maintain a minimum of 10-foot clearance between any part of their exhibit and overhead power transmission lines.

Fire Safety Requirements:

Ohio Revised Code requires that all participants meet Ohio Fire Code regulations. Those regulations include, but are not limited to the following:

Combustible Materials:

Materials such as hay and straw shall not be located within any tent or air-supported structure except those necessary for the daily feeding and care of animals. Sawdust and shavings utilized for an exhibit are permitted provided they are kept damp.

Exposed Flames:

Gasoline, gas, charcoal and/or all heat producing devices shall not be permitted inside or located within 20 feet of a tent or air-supported structure. Welding, cutting and/or brazing operations are prohibited in areas not designed or approved for the purpose unless authorized by the Show Management in conjunction with the State Fire Marshal.

Clearance:

A minimum of 3 feet is required between the fabric envelope and all contents located within a tent or air-supported structure.

Fire Extinguishers:

At least one portable fire extinguisher with a minimum 4-A rating (10 pound) or meets or exceeds Ohio Fire Code regulations. Show Management will provide such devices for all exhibits located in 10' x 10' Farm Science Review designated booth spaces. All portable fire extinguishers shall bear the label of an approved agency, be of an approved type, and be installed in a visible location. Such extinguishers must bear proof of an inspection certification within 12 months of that year's show dates.

Electrical:

All temporary wiring shall meet the requirements of the National Electrical Code for temporary wiring. All junction boxes and electrical receptacles shall be located at least 4 inches above ground level. No electrical apparatus shall be placed so as to be subject to environmental damage or physical impact.

Compressed Gas Cylinders:

All compressed gas cylinders must be secured in accordance with the Ohio Fire Code. All gas connections shall be tested in accordance with NFPA 58 directives. For requirements not listed, see the Ohio Fire Code.

CONCESSIONAIRES AND SOLICITORS

No soliciting will be permitted in the exhibit area, parking lots, or other land associated with the Farm Science Review.

Tobacco and Alcohol

The Ohio State University has adopted a tobacco free policy that supports a healthy environment for all faculty, staff, contractors and visitors. All tobacco products are prohibited on university property. Signs will be available in the Farm Science Review Headquarters Building for posting in exhibit areas.

No alcoholic beverages of any type will be permitted on any Ohio State University property.

PETS ARE NOT ALLOWED IN EXHIBIT AREA

DISTRIBUTION OF LITERATURE AND GOODS

Distribution of literature and/or goods describing equipment, products or educational activities must be confined to the exhibitor's lot or immediate demonstration area. Distribution of any other type of literature and/or goods will not be permitted without prior permission in writing from the management of the Ohio State Farm Science Review. The distribution of tobacco products is strictly prohibited.

ABUSE OF PRIVILEGES

The abuse (by extortion sale of dishonest goods, untidy appearance of exhibits, or other acts or practices objectionable to the Farm Science Review Management) by exhibitors or concessionaires of any privilege granted will cause forfeiture of all rights and privileges including cancellation of exhibit space. The exhibitor, by the affixation of any authorized signature to a contract, does agree to these Rules and Regulations.

SERVICE VEHICLES

Exhibitors are permitted to bring or rent a utility vehicle to service booths. This includes UTVs and golf carts but not full-size vehicles. These are not to be used to visit the show by the exhibitor or their customers and only to service booths with supplies. A permit must be picked up in the headquarters building.

Rentals on site are directly from National Carts (ad above). Their location on site is booth 1212 near Gate A. All other rules pertaining to special needs vehicles for visitors apply to exhibitor service vehicles. This includes one-way traffic on East/West streets. Vehicles are not permitted inside exhibit buildings and tents.

VEHICLE ACCESS

Vehicle access is available at 7am each day of Farm Science Review. All vehicles that are not a part of the display must be removed from the exhibit area by 7:45am. No exhibitor vehicles are permitted access to the exhibit area during show hours. All display vehicles must be permitted by Farm Science Review management.

RESTOCKING

It is permitted to sell items from the booth but exhibitor displays must remain in good order in cleanliness and fullness, both for safety and physical appearance. Only items that can be carried may be sold to attendees during show hours. Larger items may be sold but must remain in the display until after show hours.

Orders, Contracts and Ad Materials

Email all contracts, insertion orders and materials as follows:

Display orders: displaymaterial@farmprogress.com

Marketplace orders: marketmaterial@farmprogress.com

Submitting electronic files for print ad materials

The preferred method of receiving files is through the ad delivery portal powered by **SendMyAd** — a revolutionary online system designed to ensure error-free ad submission. First time users of SendMyAd will need to register — both registration and login can be done at <https://informa.sendmyad.com>.

The preferred file format for delivery is PDF/X-1a.

If you cannot use SendMyAd, a PDF/X-1a formatted PDF can be sent to displaymaterial@farmprogress.com — Color match proofs are not required, but will be used if provided. Send to: Farm Progress, 255 38th Avenue, Suite P, St. Charles, IL 60174-5410, Phone: (630) 524-4556

Mechanical Requirements

- Total ink density of images should not exceed 300%.
- Ads with bleed should extend 0.125" beyond the trim.
- All live matter not intended to bleed should be kept 0.25" from trim. Spread ads should allow a total of 0.1875" safety in gutter.
- All color and grayscale photos should be actual size at a minimum 240 dpi and saved as TIFFs.
- Please refer your ad production questions to Mike Mack at mike.mack@farmprogress.com.

Preferred Format	Acrobat PDF*	Comments
	PDF/X-1a	Version 1.3
Other Formats	Page Layout Program	
	Adobe InDesign	Use extension .INDD, Package for Output.
	Photo File Formats	
	TIFF	Use CMYK, Grayscale, or Bitmap. No RGB.
	Photoshop EPS	Use ASCII Encoding, 8-Bit TIFF Preview.

*All PDFs are considered "final output" and cannot be edited. PDFs that are non-compliant to the PDF/X-1a or press-ready standards will be returned to client for corrections.

General Policies and Conditions

- It is understood and agreed that all orders must conform with the conditions set forth in this rate card. We reserve the right to eliminate from all orders any clauses which do not comply.
- All advertising is subject to publisher's approval. We reserve the right to refuse copy. Inserts must be approved in advance. Customers who choose not to send a sample in advance will be responsible for any mechanical or postage charges incurred if any requirements are not met.
- Orders accepted at rates prevailing when advertisement is scheduled to appear. Cash discounts are not allowed.
- All payments must be in United States currency.
- Publisher reserves the right to hold an advertiser and its agencies jointly liable for payments due.
- Our liability on any advertisement is limited to the net space cost of that advertisement.
- Agency commission is 15% to recognized advertising agencies supplying print-ready material. Agency commission does not apply to classified advertisements.
- For ads built by publisher, proofs will be returned for approval provided material is received prior to advertising closing date. Advertisement will appear as built without liability unless written revisions are received by closing date.
- Editorial-style copy will be labeled with the word "advertisement."
- No changes or cancellations accepted after closing date.
- Position requests are not binding unless confirmed by us in writing.
- We are not liable for copy that bleeds off the page due to normal binding and trimming.
- Advertising material will be discarded one year from last date of insertion.
- Non-compete policy: Farm Progress reserves the right to withhold services from any company it determines to be a direct competitor. This policy generally applies to companies who offer print and/or digital advertising, direct marketing, and/or trade shows within the same agricultural markets served by Farm Progress.
- Discounts are based on gross dollar volume for space and color during a specified 12-month period for any corporation and its wholly-owned subsidiaries. Any discount adjustments, up or down, will be made at the end of the contract year based on actual dollar volume. Dollar-volume discounts are based on gross expenditures and paid on net dollars.

**ALL OHIO STATE UNIVERSITY STUDENTS, FACULTY, AND STAFF
ARE PERMITTED TO USE THE NETWORK AT NO COST.**

Logging off of the WiFi Network

It is important to log off of the WiFi system if you wish to use your WiFi pass with a different device.

On the device you wish to log off, go to <http://logoff.me>

You will then be permitted to log on with the new device.

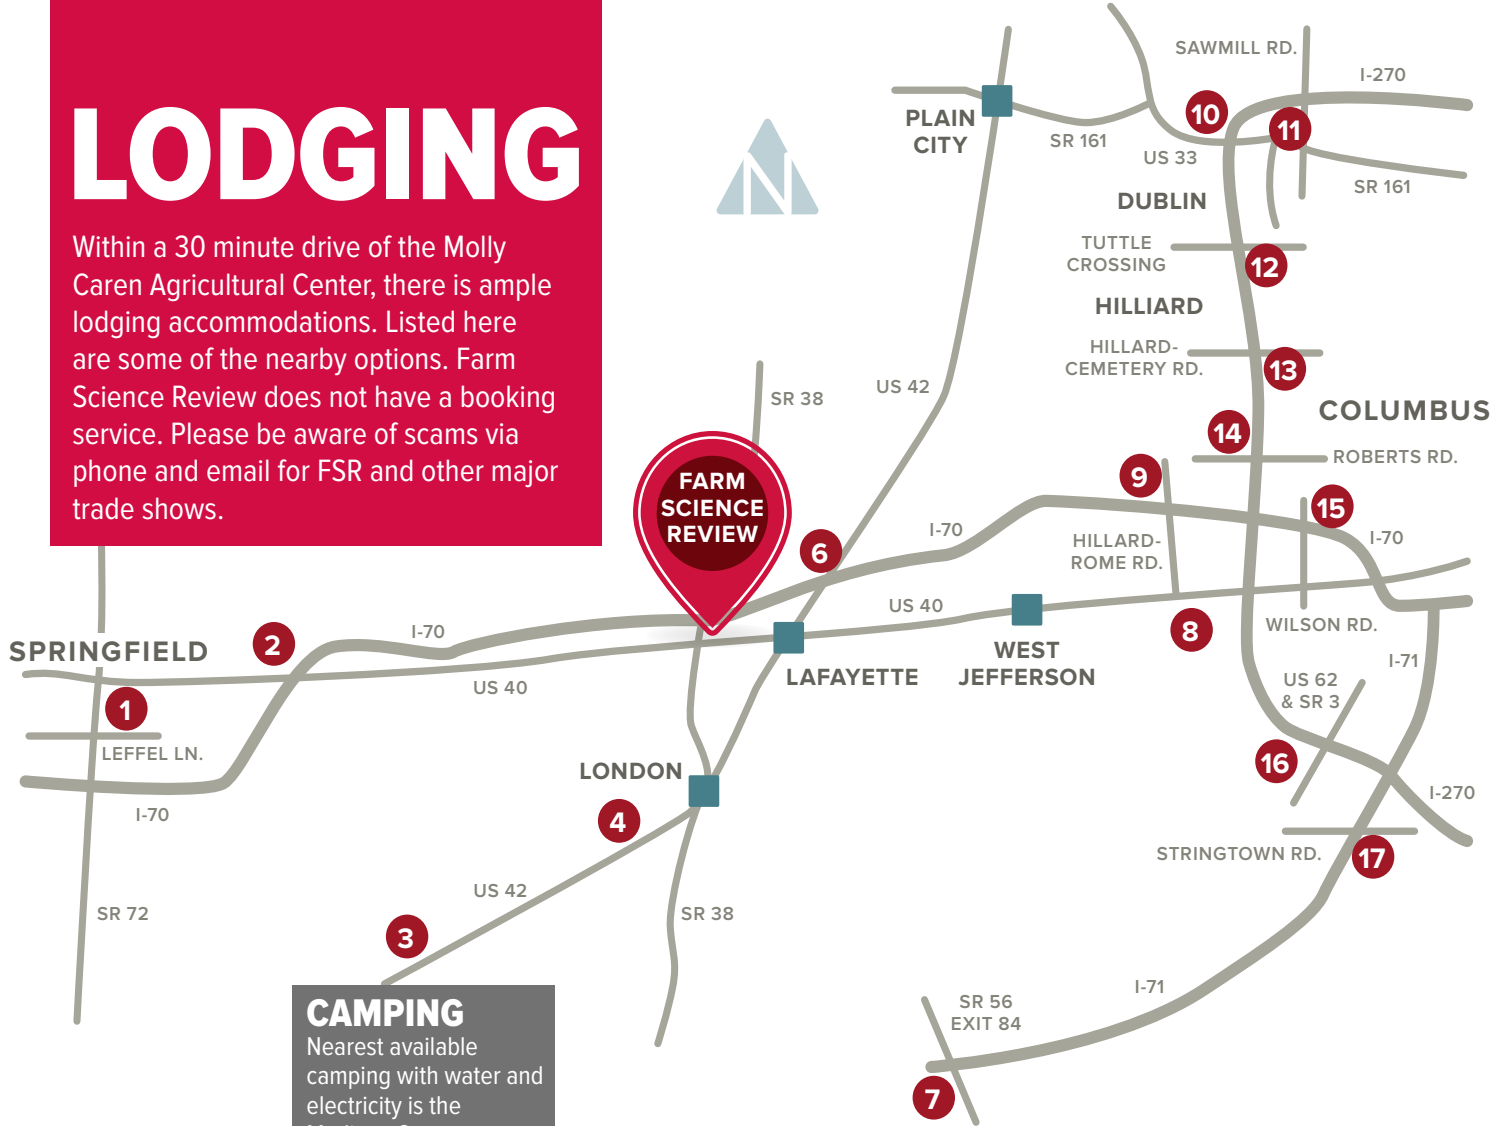

WiFi Policy

Due to the extensive coverage NetSteady provides for the Farm Science Review and the Molly Caren Agricultural Center, NO customer-provided WiFi access points are authorized for use without prior approval. Customers who attempt to set up their own wireless system can interfere with our wireless network. Accordingly, misuse or interference with the wireless network may result in service interruption to yourself or other customers and can lead to disconnection.

Farm Science Review Alumni Society's

MOWING SERVICE

Are you planning on mowing your FSR lot(s) yourself?
The FSR Alumni Society will mow it for you!

WHO: First 40 exhibitors who mail in their form and check by **Friday, Sept. 2**. Notification of receipt of your form and check will be emailed. All checks/forms received after the quota and/or deadline are met will be returned to sender.

WHAT: A “mow & blow” method to a 2-inch level. Lots are mowed twice, in different directions. No raking or removal of materials is included.

WHEN: On Sept. 9, 10 or 11 (weather permitting), prior to tent set-up on Sept. 12. Keep in mind that there will be one week’s growth on your lot when the show opens.

WHERE: Your lot(s) at the Molly Caren Agricultural Center for FSR 2022.

WHY: All funds generated are donated to one of the Alumni Society’s endowments that benefit the annual conduct of FSR and its student workforce.

TROTTER FIELD DEMONSTRATIONS

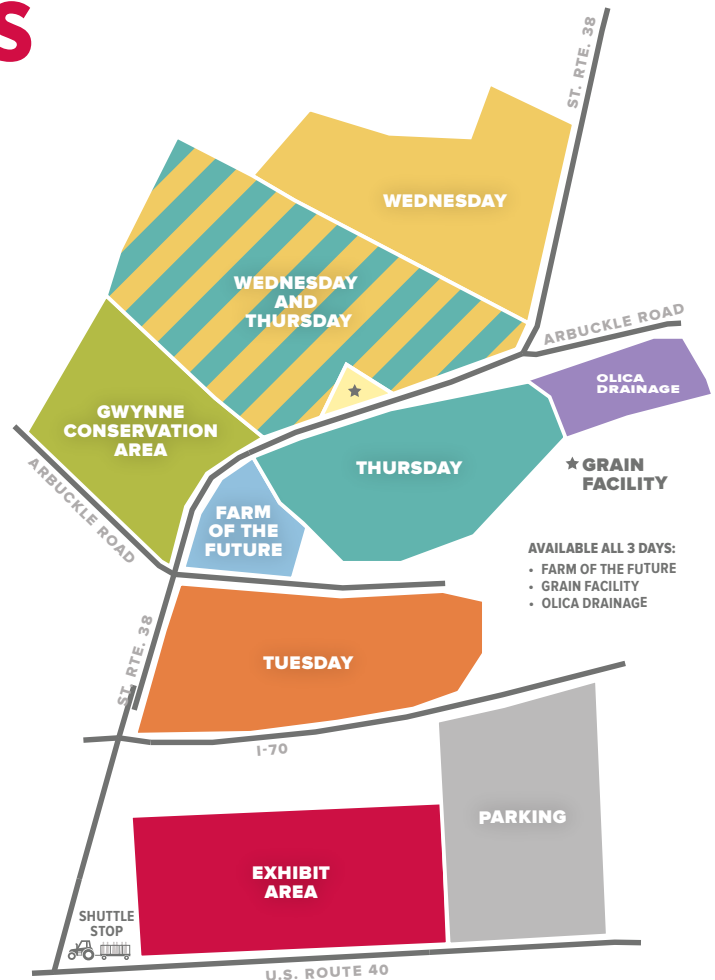

Farm Science Review exhibitors have the option of providing a demonstration to visitors in designated areas North of the exhibit area at no additional cost to the booth fee.

Equipment on the static lot may not be used as the piece for demonstrations. A separate machine must be available.

Deadline to confirm participation is Thursday, August 5, 2022. For special accommodations, notice must be made well in advance and permitted at the discretion of the farm manager.

A representative of participating companies must be present at the safety meeting Monday, September 18 at 2:00PM near the loading dock.

Demonstrations are corn harvest, soybean harvest, drones and ag innovations technology, tillage, vertical tillage, strip-till, planters, nutrient application, corn stalk shredding, baling, raking, and wrapping, a drainage installations.

RIDE AND DRIVE

Farm Science Review exhibitors have the opportunity to conduct a ride and drive with new power units at the East end of the exhibit area in booths 1200-1326 for no additional cost to the static booth. This activity must have driving areas designated and other safety measures as deemed by show management. A plan must be submitted to management and available space is limited.
